Dear Sir:

In response to the Official Action dated January 1, 2003, the time for response to which is set to expire on Monday, April 14, 2003, please amend the above-identified patent application as follows:

IN THE CLAIMS

Please amend Claims 2 and 18 to read as follows:

2. (Twice Amended) A method of processing roasted coffee to improve the retention of carbon dioxide and aromatics liberated from the roasted coffee, the method comprising the steps of:

- (i) preparing one or more containers for receiving coffee therein;
- (ii) purging said containers of contained air through flushing said containers with an inert gas;
